

Anne Frost

Waranga Chronicle

28 October, 1880

A magisterial inquiry was held on Tuesday last by R. T. Beasley, Esq., J.P., on the body of Anne Frost, aged 9 days, the daughter of a farmer residing in Girgarre East.

The evidence of the parents and midwife having been heard, a verdict of death from natural causes was returned.

The remains were interred in the Rushworth Cemetery during the afternoon.
