

## **Charles Ayers**

**Murchison Advertiser**

**12 July, 1907**

A sad death occurred in the family of Mrs John Ayers, of Nuggetty road, Rushworth, on Friday morning last, when her six-year-old son, Charles, succumbed to an attack of diphtheria.

The disease made its appearance in a very virulent form and the child was only ill a few hours. Two other members of the family were also afflicted with the disease but anti-toxin was promptly resorted to and the disease counteracted.

The remains of the deceased lad were interred in the local cemetery on Saturday afternoon, the Rev. J. R. Walker officiating at the grave.
