

## David Hawking

**Rushworth Chronicle**

**19 April, 1918**

Mr and Mrs G. F. Hawking of Stanhope Road, Rushworth, suffered a sad misfortune on Monday evening last in the death of their little boy, Dave, aged 2 and ½ years.

He had been ill for a few days previously, and seemed to be doing well under Dr Heily's care. However, about eight o'clock on Monday evening he took a turn for the worse, acute bronchitis having developed, and he passed away a couple of hours later.

The greatest sympathy is felt for the bereaved family in their misfortune, which came as a great shock to them.

The remains were interred in the local cemetery on Wednesday afternoon, the Rev. Rowell officiating at the grave.
