

Eddie Mosely

Murchison Advertiser

24 March, 1916

A rather sudden death occurred at Rushworth on Wednesday evening last, when a lad named Eddie Mosely, aged eleven years, and son of Mrs Mosely, Rushworth, expired.

It appeared that the little fellow suffered from Bright's disease of the kidneys, and although he had not enjoyed the best of health for some time, serious results were not anticipated, in fact he attended school on Tuesday last.

The remains will be interred this (Friday afternoon), the funeral being timed to leave the residence of his grandmother (Mrs Mathers) at four o'clock.
