**1 March, 1907**

It is with feelings of regret that we chronicle the death of Mrs Elizabeth Brander, wife of Mr Wm. Brander, of Esmonde street, Rushworth, which sad event occurred on Tuesday morning last.

Deceased suffered from an affection of the heart, and of late became very ill indeed. She was the mother of eleven children, and much sympathy is felt for them and the bereaved husband in the sad loss they have sustained.

A large number of mourners followed the remains to the Rushworth cemetery on Wednesday afternoon, the Rev. J. Weir conducting the funeral service.
