24 March,

It is with regret that we have to record the death of Miss Eulalie Stewart, which took place on Friday last.

Deceased was a daughter of Mr Alex. Stewart, of the Sandhills, Burrumboot East, and was but twenty-eight years of age. Her demise was all the more sad from the fact that she enjoyed good health until but a few days prior to death, and the cause was pneumonia.

Deceased was a fine young woman, well liked and very highly respected by all who know her, and her death is a severe blow to the family, for whom the utmost sympathy is felt.

The remains were interred in the Rushworth cemetery on Saturday afternoon, a large number of people following the remains to their last resting place.
