

## **John Bradley**

**Waranga Chronicle**

**28 September, 1883**

We regret to have to announce the death of Mr John Bradley, the well-known farmer of Kyabram, from that fatal scourge, consumption, the result of a cold caught some two years ago.

The deceased had been in the district for 12 years, and during that time has identified himself in every way with the welfare of the place.

Even at the time of his death he was a member of the Tatura Agricultural Society and the Kyabram Farmer's Union, both of which bodies will find it very difficult to fill his place.

A very numerous concourse followed the remains to their place of interment at Rushworth on Tuesday last.
