DEATH

WEST.—On the 9th of December, at Rushworth, Martin James, youngest son of Frederick and Priscilla West. Aged one year and eleven months.

Our little baby has gone to rest,
To seek a happier home;
God's will on earth, it will be done,
Though far and wide we roam.
We loved our patient sufferer ;
A favourite with all;
Peacefully he sank within the arms
of him who died for all.
