

Mary Ann Halpin

Waranga Chronicle

28 March, 1872

It is with regret that we have to announce the death of Mary Ann Halpin, aged 21 years, who died on Saturday last, from consumption after an illness of some duration. As the parents are in very bad circumstances Mesdames Hannon and Holland kindly undertook to gather a few pounds for them, they started on their errand on Saturday and in about two hours collected £9 10s.

The funeral took place on Sunday.
