

## Miss Elizabeth Strawhorn

**Waranga Chronicle**

**3 June, 1887**

We are again called upon to record "that death's untimely frost has nipt a flower sae early."

On Friday evening last Miss Elizabeth Strawhorn, second daughter of Mr Andrew Strawhorn, of Wanalta Creek, passed away at the early age of 21.

The cause of death, we believe, was an abscess on the lung, the result of a severe cold, contracted some months ago.

The remains were interred in the Rushworth cemetery on Monday last, in the presence of a numerous concourse of friends from far and near. The coffin when lowered to its last resting place was covered with wreaths, bestowed by sorrowing friends, as a last token upon one who during life and in death was ever dear to them.
