

Miss Annie Muhlhan

Waranga Chronicle

6 July, 1882

DEATH.

MUHLHAN.—On the 4th July, at her parents' residence, Rushworth, Annie, the beloved and eldest daughter of Andrew and Sarah Muhlhan. Aged 8 and 1/2 years. Of apoplexy.

Mr and Mrs Muhlhan's numerous friends will learn with sorrow and regret that their eldest daughter expired after a short illness on Tuesday last. It seems that the child had been complaining, and was taken by her father to Dr Heily, and while they were talking together she was seized with a fit, from the effects of which she expired at about 10 o'clock on the following morning.

The remains were followed to the Rushworth Cemetery by a large number of friends, and nearly the whole of the children attending the local State School.

Much sympathy is expressed for the bereaved parents.
