

Miss Rose Bradford

Rushworth Chronicle

15 January, 1909

It is with regret that we record the death of Miss Rose Bradford, eldest daughter of Mr W. Bradford, of Murchison road, Rushworth, which sad event occurred at her father's residence on Monday morning last.

For some years deceased had been in declining health, being afflicted with an affection of the heart, and her death was not unexpected.

She was twenty-four years of age, and every sympathy is felt for the parents in their bereavement.

The remains were interred in the local cemetery on Tuesday afternoon, a large number of residents following the remains to the grave. The Rev. Vian conducted the funeral service.
