

## **Mr. T. Lidwell Smith**

**Waranga Chronicle**

**11 June, 1886**

On Sunday last the remains of the late Mr T. Lidwell Smith, who has for some 3 years past been carrying on the business of chemist in High Street, were interred in the Rushworth cemetery.

Mr Smith had for some months been in such a state of health as to cause a considerable amount of anxiety to his friends.

About a month since he went to Murchison, in order to get the more close attention necessary to his weak state, but notwithstanding the most patient rare and assiduous attention on the part of his medical adviser and relatives, he succumbed on Thursday, 3rd June.

Mr Smith had during his long residence in Rushworth succeeded in making many personal friends, and his demise was greatly regretted.

He was followed to his grave by a very numerous concourse of friends from Rushworth, Murchison, and surrounding localities.
