

Mr B. Berthelsen

Murchison Advertiser

29 August, 1902

Many of our readers will regret to learn that Mr B. Berthelsen passed away at his residence, Esmonde street, Rushworth, on Monday evening.

The deceased, who was born in Denmark, came to Rushworth about the year 1867 and with the exception of a short visit to another portion of the state he has resided here ever since.

About five years ago he had an attack of paralysis and he has suffered considerably since then.

The remains were interred in the local cemetery on Wednesday.

In the absence of Father O'Connell, who was conducting a funeral service at Tatura, Mr Mullany read the burial service. Mr Anderson was the undertaker.
