

## **Mr Cameron's sister**

**Rushworth Chronicle**

**11 March, 1887**

The friends of Mr Cameron, butcher, Moora, will regret to learn that his sister was taken seriously ill on Wednesday evening, and expired on the following morning.

The deceased, who had resided at Clunes for a number of years, was on a visit to her brother when the sad event occurred.

The remains will be interred in the Rushworth cemetery this afternoon.
