

## **Mr Geisler**

**Rushworth Chronicle**

**13 March, 1903**

Another of Rush worth's oldest residents, Mr Geisler, passed away during Wednesday night.

The deceased, who came here in the early days of the diggings, followed the occupation of a miner until the passing of the Land Act, 1869, when he settled at Moora, and he has continued to reside on his farm ever since.

He was a decent honorable man in all his dealings and was very much respected.

He leaves a widow and a grown-up family to mourn their loss.
