

Mr H. C. Prentice

Murchison Advertiser

7 March, 1902

Very general regret was expressed on Monday when it became known that Mr H. C. Prentice had expired somewhat suddenly at the Mooroopna Hospital on the previous morning. The late Mr Prentice, who had resided in Rushworth for some sixteen years, was possessed of many good qualities, and consequently he was highly respected. He had been suffering from miner's asthma, but the immediate cause of death was the bursting of a blood vessel, resulting from a fit of coughing. Deceased, who was 55 years of age, leaves a widow and nine children to mourn their loss.

The remains were interred in the Rushworth cemetery on Tuesday. The Rev. J. Weir officiated at the grave.
