

## **Mr W. D. Taylor**

**Rushworth Chronicle**

**26 May, 1893**

Many old residents of this district will regret to learn that Mr W. D. Taylor, former proprietor of the Noorilim estate, now owned by the Hon. W. I. Winter-Irving, and also of some property at Timmering, where one of his sons at present resides, has gone over to the great majority.

The remains will be interred in the Rushworth cemetery at 2.30 this afternoon.
