

Mrs Elizabeth Price

Rushworth Chronicle

12 December, 1919

The death took place at her residence, Tatura road, Waranga Basin, on Wednesday, of Mrs Elizabeth Price, wife of Mr Arthur Price, after a long and mysterious illness.

She suffered from some wasting disease, but, though the best medical advice of the State was obtained, not even the nature of her complaint could be arrived at. Death, therefore, came as a happy release to the unfortunate woman from her sufferings.

Deceased was 66 years of age, and leaves two grown-up sons, one of whom, Sergt. T. Ross, D.C.M., is on a transport nearing the Australian shores.

The funeral leaves her late residence at 4 30 p.m. today (Friday).

Elizabeth Price is listed in Rushworth cemetery records.
