

Mrs Ellen Robinson

Rushworth Chronicle

12 April, 1889

ROBINSON. At Rushworth, on the 6th April, Ellen Robinson, aged 20 years, the beloved wife of Augustus Robinson.

We mourn the loss of one we loved,
And did our best to save,
Beloved in life, regretted still,
Remembered in the grave.

She is gone, the one we loved,
Away from sorrow, sin and pain;
Gone to be with him above,
Where we hope to meet again.

•Inserted by her loving husband, A. R.

It is our painful duty to have to record another death from typhoid fever, Mrs A. Robinson having succumbed on Saturday morning last.

The remains were interred in the local cemetery on the following day.
