

Mrs William Cameron

Rushworth Chronicle

7 May, 1915

It is with regret that we record the death of Mrs Wm. Cameron, relict of the late W. Cameron, of "Letter Finlay" farm, Moora, which sad event occurred on Tuesday morning last.

Deceased had been ailing for some time and her death was not unexpected. Mrs Cameron was of a retiring disposition and was therefore not widely known, but she was held in high respect by those who did know her. She was 54 years of age and leaves a grown-up family of sons and daughters to mourn her death.

The funeral took place on Wednesday afternoon, the remains being followed to their last resting place by a large number of people and the funeral service at the graveside was conducted by the Rev. Vickerman.
