

Mrs Matthew Dwyer

Rushworth Chronicle

31 March, 1899

It is with regret that we record the death of Mrs Matthew Dwyer, which sad event took place at her husband's residence, Moora road, Rushworth, on Wednesday, 22nd March, the cause of death being consumption.

Deceased was a young woman, being only 32 years of age. She leaves a family of six young children, the oldest being about eleven years, to mourn their loss.

The funeral took place on Thursday, a large number of mourners paying the last tribute of respect by joining in the funeral procession.

Mr Anderson had charge of the funeral arrangements, the Rev. J. Weir conducting the burial service.
