**Rushworth Chronicle**

**16 February, 1940**

Another old resident of Rushworth, in the person of Mr. Robert Hall, passed to his long rest in Melbourne on Friday last, 9th February, after a short illness at the age of 77.

The deceased had only recently moved to the metropolis following the death of his sister, Mrs. Lewis, with whom he had resided.

He is survived by a brother, Mr. Geo. Hall, of Tatura. He had been an invalid for some time and of late had led a secluded life owing to his indisposition.

The late Mr. Hall was born at Costerfield in 1862 and was a son of the late Bridget and George Hall with whom he came to Rushworth in the early 80's. In his younger days he was employed as a forest worker in Moorabool State forest and later engaged in mining operations with varying degrees of success.

The funeral was conducted at Rushworth cemetery on Saturday last, the Rev. Father E. Tehan performing the last rites of the church.

The casket was borne to the grave by Messrs Jack Hageman, C. Brasher, J. Connolly, J. Robertson, C. J. LeRoy and R. F. Cocks.
