

Son of George Richardson

Waranga Chronicle

21 December, 1876

It is with regret that we have to announce the death of the only son of Mr George Richardson. The deceased, who was some ten months old, was quite well on Thursday evening, but the heat of Friday appeared to be too much for the little fellow, who, without any apparent pain, gradually became weaker till Saturday morning, when he died.

He was buried in the Rushworth cemetery on Sunday afternoon.
