**Murchison Advertiser**

**27 August, 1909**

Our readers will learn with regret of the death of Mr Thomas Lewis, of Murchison road, Rushworth, which occurred on Monday evening last at the Mooroopna hospital.

About a fortnight ago deceased contracted congestion of the kidneys as the result of getting wet while at work, and later haemorrhage of the liver and kidneys set in.

His removal to the hospital was recommended, but it soon became apparent that his chances of recovery were small.

He was a very highly respected resident, and great sympathy is felt for his wife, who is left with three small children, the youngest but 2 and 1/2 years of age.

The funeral took place on Wednesday afternoon, the burial service being performed by the Rev. Father Lawler.
